

COLLECTION AUTOMNE 2025

Renuar

The Art of Dressing

CAD PRICING

À NOS 18 ANS À CÉLÉBRER LA FÉMINITÉ MODERNE !

Reconnus pour notre élégance naturelle et nos styles intemporels, nous proposons des collections aussi chic que polyvalentes. Conçues à Montréal, chaque pièce marie les tendances saisonnières à des silhouettes féminines et des détails contemporains, permettant aux femmes d'exprimer leur individualité avec confiance.

Pensée pour la femme moderne et active, notre collection constitue la base de chaque look époustouflant qu'elle désire – que ce soit au travail, durant ses loisirs ou entre les deux.

Polyvalentes, colorées et toujours distinctives, nos pièces invitent à apporter une touche de glamour au quotidien.

Chez Renuar, nous sommes engagés à réduire l'impact de la mode sur la planète en privilégiant des tissus écoresponsables et des pratiques durables. Notre démarche vers la durabilité inclut des partenariats avec des organisations pour

L'INDUSTRIE DE LA MODE DURABLE COMMENCE PAR NOTRE ENGAGEMENT À FAIRE NOTRE PART.

apprendre et mettre en œuvre des stratégies plus vertes.

Nous utilisons la technologie AIRFLOW pour la teinture des tissus, ce qui permet de réduire la consommation d'eau et d'énergie, et nous expédions nos vêtements dans des sacs 100 % compostables. Nous sélectionnons également des matériaux responsables tels que le TENCEL™, les tissus à base de cellulose et le polyester recyclé, garantissant une qualité supérieure tout en minimisant notre empreinte environnementale. Grâce à une production réfléchie et à des choix éthiques, nous nous engageons à créer un avenir plus durable, tant pour les gens que pour la planète.

Chaque nouvelle saison, nous restons fidèles à notre désir de fraîcheur et de modernité, en proposant des styles qui capturent l'essence du moment. Nous avons introduit de nouveaux tissus qui, nous l'espérons, deviendront des incontournables saison après saison.

LES INCONTOURNABLES DE CET AUTOMNE AFFICHENT TOUS DES IMPRIMÉS ANIMALIERS !

De magnifiques couleurs sont essentielles pour définir une nouvelle saison. Notre palette de teintes vibrantes comme Mulberry, Scarlet et Azure contraste joyeusement avec des pastels doux, créant l'équilibre parfait pour illuminer même les jours d'hiver les plus sombres.

Alors que les pantalons à jambes larges continuent

de dominer, nous proposons un modèle en denim avec une touche d'imprimé animal.

Nous avons également ajouté des styles emblématiques à imprimés animaliers qui incarnent une élégance intemporelle et un esprit sauvage, témoignant de leur charme durable saison après saison.

Entrez avec confiance et créativité dans notre collection Renuar. Découvrez l'automne 2025, adoptez l'ambiance et laissez votre style personnel rayonner!
